LILIAN PRINS

De start.

My greatest passion is learning about people and researching their diversity in different aspects of life. I am inspired by all personal motivations, stories and motivations and like to connect them, so that new connections can arise. I also like to read and do sports, which offers me the headspace I need and helps to stimulate creativity.

My core motivation is my passion for mental and physical movement, to create awareness to stay in the moment. And also my quality to use personal motivations to realize development and understanding.

INTRODUCTION

Welcome.

Since NTRWKPLK is growing steadily, it is important that everyone knows who is already part of the group.

In addition to the monthly meet-ups, contact is mainly through Slack or during a pop-up workday. Every week, an interview with one of the NTRWKPLK ladies is posted on the website www.ietsmethaar.nl.

It is important that everyone can approach each other beforehand. Because of this, everyone is asked to write a short introduction about themselves, which is shared in Slack. The introduction can be read by every member, even when you are new to the group and cannot see previous conversations from NTRWKPLK.

THIS CONCERNS THE FOLLOWING QUESTIONS

- Photo
- Name
- Date of birth
- Key words of your values and/or qualities + what your company stands for
- Small in-depth text from key words
- What you hope to get out and bring to NTRWKPLK

MEET UP

Monthly.

Every second Sunday of the month, starting at 11:00 a.m. Location differs each time. Keep an eye on Slack.

You can stay as long or as short as you want. Since it is a monthly meet-up, the day starts with the questions:

- What have you been doing in the past month?
- What are you going to focus on in the coming month?

BRING SOMETHING TO THE TABLE

You are free to bring along whatever you want. For example, you could bring along great new ideas, inspiring stories, or even a little snack or drink. You are here to work on yourself and to support others in their own personal growth.

DO IT FOR THE TEAM SPIRIT

If you know anyone who would enjoy, benefit from, or use a female community, please pass it on! Trust your instinct to decide who can bring something to the table and can benefit from NTRKPLK.

KEEP IT A SECRET

Secrecy and safety are highly valued in our community. Everyone should be able to speak freely, so that creative ideas can flow. Nothing can be copied, recorded, shared or spread around.

INTERVIEW 1.0

Girl gang.

The first round of interviews in 2018 were as followed:

A weekly interview with one of the NTRWKPLK ladies has been posted online on the website [ietsmethaar](#). These interviews were conducted once a month, in a group interview. The group was based on a common interest, either profession or personal.

During this day the hair and make-up of the NTRWKPLK ladies was done by [ietsmethaar](#) and they have been photographed by [Gun Intree](#). The portrait photos are in black and white and the product photos are in color. From this series of photos, the NTRWKPLK ladies received two photos (portrait + product) that are also used for the website [ietsmethaar](#) and on associated social media channels. When requested to receive more photos taken this day, they can be ordered at [Gun Intree](#) for €5,- per photo.

During this interview, questions are asked and discussions are held about the following themes:

1. INTRODUCTION

- Who are you (personal)
- What do you do (professional)
- Why do you do this
- How long have you been doing this
- How did you get here

2. NTRWKPLK

- What do you like about it
- What do you get out of it or hope to get out of it
- How is it of added value for you
- What would you like to contribute (personal /professional)

3. FUTURE

- Where do you see yourself in the future or where would you like to see yourself
- Ambitions + Dreams

4. TIPS YOU WOULD LIKE TO GIVE

- Quote + Explanation

INTERVIEW 2.0

Inspirator.

The second interview round in 2019 has a different concept:

The main focus in this interview are inspiration and gratitude. The NTWRKPLK ladies are given the assignment to invite a female inspirator, someone who has played a meaningful part in their lives. With support from me (Lilian) as moderator, both women will talk about their insecurities and strengths.

The interview is all about the NTWRKPLK ladies expressing gratitude to their inspirator. They share how the inspirators have influenced the personal and/or business growth of the women.

These interviews are conducted once a month in pairs, consisting of a NTWRKPLK member and her inspirator. During this day the hair and the make-up are done by ietsmethaar and their photos will be taken by Brian Vijber. The photos and interviews are used for the website ietsmethaar and on accompanying social media channels.

we each have the

potential within us

EVENTS + WORKSHOPS

Lets grow together.

The members of NTRWKPLK all have their own field of expertise. We want to share this knowledge with each other. Therefore NTRWKPLK offers the possibility to follow workshops and to offer workshops.

WORKSHOPS

Would you like to know more about Photoshop? Ask about it during the monthly meet-ups. Do you hear a question that you can answer? Schedule your workshop. There are enough ladies who want to learn from you and who want to share their knowledge with you.

EVENTS

Events are also planned through NTRWKPLK. For example: Think of a successful shop-up where you give your old clothes a new home. If you have an idea discuss it with me (Lilian) and then we can brainstorm together about the realization.

Go empower someone

to be their

extraordinary self
